

# FOOD DRIVE

We're collecting food for the  
**Hope Villages of America Food Bank!**

The Food Bank provides nutritious groceries to those in need all over Pinellas County.

**Please consider making a food donation today!**

Did you know it costs Hope Villages 10¢ per food item to distribute donated items out to the community? If you are able, a donation of 10¢ per each item you give will help offset the cost to ensure our neighbors in need never go hungry.

To make a monetary donation, go online to <https://hopevillagesofamerica.org/Donate/>, scan the QR code below, or write a check.
