ABOUT ART HARVEST

We are an organization of women committed to promoting voluntarism, developing the potential of women, and improving communities through effective action and leadership of trained volunteers. Our purpose is exclusively educational and charitable.

THE HISTORY OF JLCD

Since its inception in 1948, the women of the Junior League of Clearwater-Dunedin (JLCD) have committed themselves to serving and improving the lives of women, children, and families in North Pinellas and West-Pasco Counties. During this time over 650 League members have raised over 1 million dollars and have contributed over 1 million volunteer hours to improving the local community. The membership of JLCD believes that the collective power of diverse women, joined together to identify unmet needs and forge coalitions, can dramatically improve our community. JLCD members believe that to most effectively cultivate positive community action, volunteers need educational opportunities for personal growth and volunteer leadership to develop their potential.

FEATURED ARTIST JENNIFER PECK

Jennifer is a mixed media artist whose passion for coastal life inspired a move from Texas to the shores of Sarasota, Florida where the Gulf Coast's beaches, birds and botanicals provide fresh inspiration. With a Bachelor of Fine Arts degree from the University of Colorado, followed by 25 years in the art business, she exhibits her work in galleries and art festivals surrounding the Florida Coast. Directing galleries from San Francisco to Austin, Jennifer has been exposed to an immense amount of art, allowing her to develop a truly individual and unique style. Her work has been on the cover of *The Islander* and *Coast* magazines and in many feature editorials. The joyful mixed media works are filled with imaginative colors, textures and whimsy. Text and words are ripped and cut and along with decorative papers, they playfully come alive on painted surfaces. They celebrate the beauty of coastal living and tell a story of a life at the beach!

MY PROCESS

I refer to my work as mixed media, which means in my case, I use both paint and paper. I paint the backgrounds with acrylic paint, and then I collage on top with paper. On the backgrounds I use a brush, or a palette knife, and sometimes stencils. For the paper on top, I love to use metallic, sparkly and handmade papers. I cut the paper with scissors, (or sometimes rip it!) and then with adhesive, adhere it on top of the painted background. Occasionally, I draw on top of that with pens. You may also sometimes see pieces that are made entirely out of paper.

To me, the paper brings it all to life! At one glance it may look like one thing, upon closer inspection, there are more layers. Often, I place images and words within the collage because I want to invite YOUR imagination!

LETTER FROM THE CHAIRWOMEN

Welcome to Art Harvest! We are so happy you're able to join us this year. We hope that you find Art Harvest as wonderful as ever. We are happy to be back after our canceled show last year due to COVID-19.

Art Harvest is a family tradition, a show for everyone and anyone with a passion for art. Thank you for visiting and joining us to celebrate 57 years in the community. This fine art event, which takes place the first full weekend in November, is presented by the Junior League of Clearwater-Dunedin and hosted by the City of Dunedin. Explore Highlander Park and discover artwork created by over 200 juried artists in a variety of mediums for entertainment and purchase. Please, get to know the artists- many have traveled to share their extraordinary talents with you. Expect to be engaged by their fascinating stories and the inspiration behind each piece of artwork. While making your way through the park, don't forget to stop and enjoy a beverage, meal, or snack from a variety of food vendors. Make sure you stop by the Children's Area to enjoy fun-filled free arts and craft projects. Above all, whether you're shopping for the holidays, interested in viewing art from another perspective, people watching, or just enjoying Highlander Park- thank you for stopping by this year's Junior League of Clearwater-Dunedin 57th Annual Art Harvest.

We truly hope you enjoy your visit at Art Harvest. If you need anything, would like to learn more about the Junior League of Clearwater-Dunedin or have any comments about our event, please visit our merchandise tent or www.JLCD.org. We hope you will continue to make Art Harvest your tradition for many years to come.

Art Harvest takes a lot of work and requires League member participation to keep it running. We are so incredibly proud of the work the committee and League members have put into making this the best event it possibly can be – their dedication to the League and this event is truly inspiring!
